

## Associate with a reputable company

Customers show more trust towards you if you are a part of a reputable company with proven credentials

## Ask for recommendations

Word of mouth is the best way to get more business, so ask your customer to recommend your name to others

## Have good work experience

Customers generally look for a mason who has sufficient years of experience and a good reputation

## Maintaining and Restoring

Expect to work in all weather and with various materials, lift and carry heavy objects, and read and assess technical drawings

## Texturing and Polishing

Responsibilities include texturing and polishing blocks of stone, installing dressed stone, mixing cement and mortar, and restoring old and damaged masonry works

## Examine structural integrity

Check for crumbling and long cracks in the mortar or brick, which indicates structural integrity

## Give quotation after examination

Do not give quotation or cost before physically examining the work, you will lose the trust of the customer
